## Stay and Play Volunteer at Allens Croft Nursery School

**Unpaid Stay and Play Volunteer role – 9:30am - 11:30am on Tuesdays – 2 hours per week, term time only**

We are looking for a team of hard working, friendly and dedicated volunteers to help us to relaunch our community Stay and Play sessions. Prior to the COVID-19 pandemic, our Stay and Play sessions ran for more than a decade and were very popular within our local community. Our volunteers will be working alongside two of our highly experienced school leaders. We will be running a session each Tuesday during term time. Once the session is well-established we hope to run a second session at the end of the week. The role of Stay and Play Volunteer includes a range of responsibilities, which include, setting up activities, welcoming families upon arrival, supporting children and families to engage with focus activities, tidying up and supporting the Group Leader during singing sessions.

At Allens Croft Nursery School we pride ourselves on our creative and holistic approach to pre-nursery and nursery education. Our approach empowers children to make their own choices and helps them to be self-motivated individuals. Our settings are culturally diverse with a large number of languages spoken. All staff are expected to understand and be committed to Equal Opportunities in employment and service delivery.

We have a reputation for supporting children with a range of complex special educational needs and disabilities as well as support for families who may have additional challenges in their lives. We offer a mixture of provision, including fee paying, as well as before and after school provision.
