School Photographer

Dear Parents/ Carers

Our school photographer is visiting us on Tuesday 19th and Thursday 21st March.

If you would like any sibling or family photo's please come to our breakfast/ afterschool entrance (at the opposite end of the building to the main school entrance) between 8:00am and 9:00am.

Children that do not need to be photographed with a sibling or other family members will be taken by their teachers, in their key groups, to have their photographs taken during the nursery day. You do not need to remain with them for this, therefore. If you are unsure of which day your child is due to have their photograph, please ask your child's teacher.

Kind regards

Amanda Smith

Nursery Manager
